

# LAUREN SYNGER

## VO Bio

### Lauren Synger, Synger Productions & Entertainment, LLC

Lauren Synger has directed and/or voiced acclaimed/award-winning audio projects. She is the voices of Alice Angel and Allison, and Voice Director for the Meatly's/Joey Drew Studio's *Bendy and the Dark Revival*. She recently voiced Sarah, and was Creative Consultant, Voice Director, and Casting Director for Toniko Pantoja's original Brushtale Works animated short, *Dusk's Flight*. She voiced the teen, punk, and upcoming characters in *Killer Klowns from Outer Space: The Game*, developed by Teravision Games and published by Good Shepherd Entertainment. Lauren is the promotional and festival voice for Elektrum Festival by Intents Festival and WISH Outdoor. She is the voice of *Genlock's Yaz* (Yasamin Lex) in Hi-Rez Studios/Evil Mojo's *Paladins*, Siren Song Clíodhna in *Smite* by Hi-Rez Studios, the female PC Aerev in *Spellforce 3* by THQ Nordic/Grimlore Games, and a multitude of characters including VanZyl in Cryptic/Perfectworld's *Star Trek Online*, a plethora of characters including Xuna in *Dungeons & Dragons Neverwinter*, and a diverse range of character voices and announcers in S2 Games' *Heroes of Newerth*, and many more!

In 2022, Lauren released original song, "Come What May" as her character Allison in *Bendy and the Dark Revival*. In 2018, she released original song "Lonely Angel/ I'll Be Your Angel" as her character Alice Angel in *Bendy and the Ink Machine*. She has lent her creativity, vocals, songwriting skills, and voice-over talent to video games and their soundtracks such as *Heroes of Newerth* by S2 Games/Frostburn Studios and the award-winning Skyrim conversion *Enderal*. Lauren continues to develop her own original music, which will be made available publicly, and for licensing use in movies, TV, and video game soundtracks.
